

Join the mighty KEW COMETS for AFL in 2020

The Kew Junior Football Club (Comets) provides opportunities to play football from U8s to Colts division.

It is the Comets policy that all registered players will be allocated to a team in their correct age group as per the YJFL Age Groups and for the following reasons:

- to protect the health and safety of players
- to enable players to best develop according to their age and physical capacity
- it is non-discriminatory as it applies to all players
- it provides clarity and certainty for players and parents
- it is consistent with the policy of the YJFL.

Please Note: For players born 01/01/2013 to 30/04/2013 who play up in U8s in their first year, the AFL & YJFL state that they must then continue to play in U8s again the following year to align those players with the correct age group year going forward.

Nominal Dates of Birth		
	Start Date	End Date
Under 8	01-January-2012	30-April-2013
